

# WEST COAST SWING FOR LINDY HOPPERS

with Brian and Sue Mi

The band swings into a slow- or mid-tempo blues-tinged number, and suddenly all that Charleston Tom taught you doesn't seem to work so well. Luckily, here come Brian and Sue Mi to the rescue! They're going to teach you enough West Coast Swing to feel comfortable on the dance floor. Taught from a Lindy Hoppers perspective, you'll learn the basics of these six- and eight-count patterns with stylistic changes to better fit slower tempos. You'll learn the basics of connection and weight-sharing that are common to all styles of dancing, but with the unique perspective that West Coast Swing brings.

Brian and Sue Mi are the perfect choice for this class. Both are talented and stylish Lindy Hoppers who have also become fluent in West Coast Swing. When you see their hybrid style, based in Lindy but with the additional smoothness lent by West Coast Swing, you'll say, "That's for me!"
